QUALITY • TRADITION • RECOGNITION

MSc

**Master of Science in
Business Administration
(By Research)**

City Graduate School

The purpose of higher education is to prepare adults to excel in the field that they have chosen to study. As future leaders and professionals, they must also be prepared to meet all expectations of the real working environment. At City University, Malaysia (City-U), we believe and adopt a holistic approach for developing dynamic professionals. Since its inception in 1984, City-U has produced more than 35,000 graduates, who are now with various reputable organisations worldwide. Our history and years of experience as one of the oldest private education providers in Malaysia positions us as a provider of high quality affordable tertiary studies.
