

Diploma in Fashion Design

(R/214/4/0085) (MQA/FA 2071) 08/2023

The Diploma in Fashion Design programme is designed to provide students with a variety of professional and transferable skills in order to prepare them for work, further education, and future career options in the fashion and/or creative industries.

BENEFITS

- ▶ Good drawing skills – You have to set this ability to become a good fashion designer.
- ▶ You can design excellent clothing if you are familiar with clothing and colour. It's crucial to know what type of material to use and what colour it should be. Knowing how to work with different textiles, such as silk and cotton, will assist you in improving your site.
