

# Foundation in Business

(R2/010/3/0239) (A10441)08/2024

The Foundation in Business programme is tailored to provide students with a direct route into related degree programmes like accounting, management, and business administration. The core business modules integrated in the programme shall equip the students with strong theoretical foundation to fully prepare them for their degree journey.

In addition, the programme also aims to strengthen English proficiency among its students with its comprehensive English modules.

## BENEFITS

- ▶ Gives you an advantage when it comes to mastering business-related courses.
- ▶ Provides excellent preparation for a business degree.
- ▶ One of the quickest ways to get into a degree programme in business.
- ▶ Some colleges provide higher scholarships and lower tuition fees.
