

Diploma in Early Childhood Education

(R/143/4/0072) (MQA/FA3571) 02/2023

Emphasizing the core values and skills required in the early childhood curriculum, this programme enables learners to design, implement and evaluate appropriate learning experiences for early childhood settings.

If you're someone who absolutely loves children and wants to take an active role in building the future of our next generation, an Early Childhood Education course could be the path for you.
