

Foundation in Arts (Communication)

(R2/010/3/0084) (MQA/FA 1998) 07/2027

The Foundation in Arts (Communication) programme is designed to help students enter relevant degree programmes such as mass communication, corporate communication, journalism, and applied psychology. The program's fundamental communication modules will provide students with a strong theoretical basis while also improving their communication skills, which are critical for creating a strong and positive self-concept and assisting them in academic and professional success.

BENEFITS

It provides you time to consider which degree path you want to pursue. You will be an expert in your chosen profession.

EDUCATION PROSPECTS

The programme aims to introduce students to the different fields of study in the mass communication. Students will be exposed to specialized modules, real-life simulations, out-of-classroom field and study trips, interaction with working professionals as well as competitions. Upon successful completion, students are eligible to enroll into our degree programmes.
