ABOUT CITY LANGUAGE CENTRE

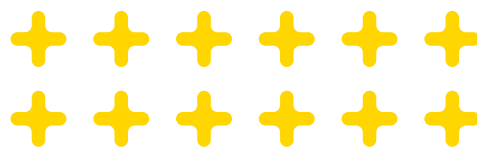

At City Language Centre, we understand that learning English as a second language can be daunting. That's why we strive to provide the best experience for our foreign students - one that is both enjoyable and educational.

City Language Centre (CLC) was established on 24th October 2018 under U.C.I Education group in response to the growing demand of language studies globally. With an outstanding academic track record, the CLC has been awarded test center facilities to conduct both IELTS and MUET tests for countless alumni from around the world.

Whether a beginner or aiming to master the specifics, our programmes are tailored to improve a student's different skills for a range of purposes including: general communication skills through the use of modern approaches, academic English for further studies at University, core skills like writing and grammar. We also provide specific exam preparation courses designed to achieve maximum awareness and readiness for IELTS or MUET.

ACCREDITATIONS

City Language Centre (CLC) is associated with City University, Malaysia, an industry endorsed university founded in April 1984. City Language Centre is licensed by Ministry of Home Affairs, Malaysia and the courses offered are registered with the Ministry of Education, Malaysia

OUR PROGRAMMES

General-Intensive English Programme

The General English Programme provides intensive 4 hour blended tuition from Monday-Thursday over an 11 week period. This is a communicative, student led class where students are given the opportunity to maximise the use of new grammar structures and vocabulary attained throughout the course.

The course provides the essential structures, broadens vocabulary used in everyday situations, leads to improved grammatical accuracy whilst improving pronunciation and making the learner feel comfortable when speaking in English.

Levels: Elementary | Intermediate | Upper intermediate | Advanced/IELTS preparation
Intakes: January, April, July, October

English For Diplomatic Purposes

This bespoke programme focuses on the individual need of the Diplomatic department. A placement test and needs based document is prepared by the language team before the content is finalised.

The programme is based around gaining an understanding of appropriacy in formal contexts with the addition of grammatical structures and broadening specific diplomatic vocabulary.

Duration: 20 hours

Business English

This Business English Programme provides students with differing levels of business specific English skills. Presentation skills, writing reports and conducting meetings are all a part of the package, which is aimed at both lower and higher levels.

The most up-to-date business textbooks and case studies combined with teacher-led communicative activities provide students with a well-rounded course designed to be both up-to-date and practical.

Duration: 5 to 10 weeks

IELTS Preparation Course

The course focuses on familiarizing students with the IELTS test format and provides them with essential tips as well as adequate practice they will need to score well. Specialist teachers, with both Oxford and Cambridge IELTS books and materials offer learners specific practice for both the Academic and General Training for IELTS.

Duration: 1 month

English For Tourism

The course focuses on providing students with the tourism specific language and practise scenarios. With the strong industry connections City has in the Tourism sector, students will get industry specific guidance led by experts.

A blend of book-based and communicative scenario-based activities provide students both the theoretical and practical application of English within the Tourism sector.

Duration: 1 month

MUET Preparation Course

The Malaysian University English Test (MUET) is a test of English language proficiency, used for Malaysian university admissions.

The MUET course is designed to highlight the different aspects of the course and provide practice in all elements: speaking, listening, reading & speaking. Students will gain invaluable insights from trained experts as to the best ways to be successful in the test.

Duration: 1 month
